Romans 3:22-24 This righteousness from God comes through faith in Jesus Christ to all who believe. There is no difference, for all have sinned and fall short of the glory of God, and are justified freely by his grace through the redemption that came by Christ Jesus.

The second link is set with a red carnelian cabochon. **The red color represents the blood of Jesus – only the blood of Jesus pays for our sin.**

Romans 5:8 But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

The third link is set with a blue agate cabochon. **The blue color represents baptism with Water.**  
Romans 6:4 We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.

The fourth link is set with a white Moonstone. **The white color represents being washed clean – when we receive Jesus our sin is washed away.**

Psalms 51:2-7 Wash away all my iniquity and cleanse me from my sin. ... Cleanse me with hyssop, and I will be clean; wash me, and I will be whiter than snow.

The fifth link is set with a green agate cabochon. **The green color represents growth – we must grow in Christ.**

2 Peter 3:18 But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.

The sixth link is set with a gold citrine. **The gold color represents Heaven – God's promise to each of us when we die, that we will receive the crown of life that God has promised to those who love him.**

James 1:12 Blessed is the man who perseveres under trial, because when he has stood the test, he will receive the crown of life that God has promised to those who love him.

Revelations 2:10 Be faithful, even to the point of death, and I will give you the crown of life.

Use the ET logo link to help you fasten the clasp. Hold the link with your middle finger against the base of your thumb. Bring the bracelet around your hand and fasten to the jump ring closest to the last cross link. Squeeze in on both sides of the clasp to open it. Be careful not to twist the bead link from front to back. Repeatedly doing so could cause the link to break. Remember if you have any problems or repairs that I will do so at no charge.
